PROFESSIONAL SUMMARY

Amazon Affiliate Marketer and Web Developer with a demonstrated track record in digital marketing, content creation, and SEO optimization. Currently pursuing BBA at KLE CBA Hubli, combining business acumen with hands-on technical expertise in AI development, Python automation, and UI/UX design. Passionate about leveraging technology to create impactful, value-driven solutions.

EXPERIENCE

Freelance Web Designer & Developer · Contra

Mar 2026 – Present | Hubli

- Created a cinematic portfolio site emphasizing immersive storytelling and quality digital experience using modern UI/UX with video backgrounds and smooth scroll.
- Managed the full project lifecycle: conception, UI/UX design, implementation, and delivery of a highly scalable website.

AI Developer · Python / Personal Project

Jun 2025 – Feb 2026 | India

- Built Jarvis AI Desktop Automation — personal AI assistant for full desktop automation, time management, and intelligent task execution using Python.

Amazon Affiliate Marketer · Amazon Associates

Jan 2024 – Jan 2026 | Hubli

- Drove traffic and conversions through strategic content marketing, SEO optimization, and targeted audience engagement over 2 years.
- Built affiliate revenue streams through trust-building product recommendations and value-driven campaigns.

Social Entrepreneur · NayePankh Foundation

Mar 2026 | Hubli

- Raised funds for underprivileged children's education and healthcare under NITI AAYOG-affiliated NGO program (UP Govt scheme).
